Peer-to-Peer Fundraising Opportunity

Help Utah Women and Children Today!

Have you been wondering how you can help your community during COVID-19? This has been an unprecedented time and many of you have reached out looking for ways to help House of Hope. Good news! We have a quick and easy way for you to help us offset COVID-related losses: Peer-to-Peer Fundraising!

Peer-to-Peer fundraising is the best (and easiest!) way to support women and children in recovery! All you need to do is create a fundraising page using the button below and share it on social media with your friends, family and coworkers. We're only one fifth of the way to our \$5,000 goal; your help will go a long ways in making recovery for women and children possible.

In addition for prizes for the most donations received and most money raised in a peer-to-peer campaign, an anonymous donor has pledged \$250 towards a drawing for campaign participants. In order to participate in the drawing, all you need to do is create your own fundraising page and raise or donate a minimum of \$25. It's just that easy!

Please contact Josie, Development Specialist, at jwhite@houseofhopeut.org or at (801) 487-3276 x 1217 with questions. Follow us on Instagram and Facebook by searching @HouseofHopeUT to follow fundraising updates.
