

November 2020 | Issue No. 16

It's the Most Wonderful Time of the Year!

Thanksgiving is fast approaching and House of Hope has so much to be thankful for this year! During these difficult times, our volunteers, donors, and staff have made it possible for us to continue providing care to women and children throughout Utah. Our clients have showed incredible resilience in these trying times. Thank you to everyone who has been a part of the House of Hope team!

UNA Marketing and Communication Credential

House of Hope is delighted to announce that we have received the Utah Nonprofits Association's credential badge in marketing and communication. There are over 10,000 nonprofit organizations but only 137 issued credentials, including ours! To earn this badge, House of Hope sent Development Specialist Josie White and Outreach Coordinator Jenn Reid to nine hours of training. House of Hope staff then

assembled a portfolio of marketing materials to display expertise in marketing and communication. After a portfolio review with marketing expert Pearl Wright, House of Hope was credentialed!
