

Welcome Backpacks for Women

THE PURPOSE:

When women enter residential treatment at House of Hope, many have nothing. We provide each new client with a House of Hope welcome backpack. The bags are very well used and most double as purses, backpacks and sometimes diaper bags throughout treatment.

PLEASE NOTE:

The backpacks themselves and all items inside must be new and full-size (not travel size please.)

ITEMS NEEDED FOR EACH BAG

- New backpack or book bag to place all items in (the women use their backpacks to transport everyday!)
